

The background is a solid blue color with various abstract geometric elements. There are several thin, light blue lines of different lengths and orientations scattered across the frame. Some of these lines are accompanied by small, light blue circles. Additionally, there are larger, semi-transparent blue shapes, including circles and rounded rectangles, which overlap and create a layered effect. The overall aesthetic is modern and tech-oriented.

- ICX and IGW
- Data warehousing and Business Intelligence
- Project management
- Support and maintenance

# Clients

- Telecom
- Government
- Education
- Bank
- Insurance
- Leasing
- NGOs
- Hospitals
- International
- PHP Group

# Main objective

IBCS-PRIMAX's main focus is on maintaining the quality of its products irrespective of what the client demands or not. That means, a client may not be aware of the quality of a product and is satisfied only with a rough solution. In such a case, only a temporary solution may satisfy the client, but IBCS-PRIMAX Software (Bangladesh) Limited will never do that. Rather IBCS-PRIMAX will analyze the need of the client and scope of the development.

# Career: as a software engineer (java)
